The use of Tokens in connection with the Platform may be governed by other applicable terms and policies (collectively, the “Platform Terms and Policies”; moreover, White Paper is a mandatory addition to the Token Sales Agreement, according to which the company fulfills its obligations). Any Platform Terms and Policies we promulgate will be available at <https://liqnet.com>. We may add terms or policies to the Platform Terms and Policies in our sole discretion, and may update each of the Platform Terms and Policies from time to time according to modification procedures set forth therein. To the extent of any conflict with these Terms, the Platform Terms and Policies shall control with respect to any issues relating to the use of Tokens in connection with the Platform.

2.8. Procedures of the purchase of the Tokens, the timing and pricing of the Tokens sale and our anticipated use of the Tokens sale are defined in the White Paper.

3. REFUND POLICY AND TOKENS BUYBACK

3.1. The company shall not carry out token buyback. Any refunds are possible only in accordance with the ruling of the competent authority.

4. INTELLECTUAL PROPERTY

4.1. We retain all rights, titles and interests in all of our intellectual property, including inventions, discoveries, processes, marks, methods, compositions, formulae, techniques, information and data, whether or not patentable, copyrightable or protectable in trademark, and any trademarks, copyrights or patents based thereon. You may not use any of our intellectual property for any reason, except with our express, prior, written consent.

4.2. In particular, we retain all intellectual property rights, mostly, but not limited, to copyright, over the source code forming Tokens. These terms shall not be understood and interpreted in a way that they would mean assignment of intellectual property rights, unless it is explicitly defined so in this Agreement.

4.3. You are being granted a non - exclusive, non - transferable, revocable right to access and use the Platform. Limitation to the transferability of that right shall not be understood in a way, that the users are not allowed to transfer Tokens to third parties.

4.4. You shall use the Website, the Platform and the Tokens strictly in accordance with the provisions of this Agreement and the respective White Paper. As a condition of your use of the Website, the Platform and Tokens you warrant to the Company that you will not use the Website, the Platform and Tokens for any purpose that is unlawful or prohibited by the provisions of this Agreement. You may not use the Tokens in any manner that could damage, disable, overburden, or impair the Website or interfere with any other party's use and enjoyment of the Website and the Platform. You may not obtain or attempt to obtain any materials or information through any means not intentionally made available or provided for through the Website, the Platform and/or Tokens and/or other services provided thereto.

4.5. All content included on the website, including the Tokens, the Platform, and associated products and services, such as, but not limited to, text, graphics, logos, images, source code, as well as the compilation thereof, and any software used on the website is the property of the Company and protected by copyright, trademark and other laws that protect intellectual property and proprietary rights. You agree to observe and abide by all copyright and other proprietary notices, legends or other restrictions contained in any such content and will not make any changes thereto.

5. SECURITY

5.1. You will implement reasonable and appropriate measures designed to secure access to

(i) any device associated with the email address associated with your account,

(ii) private keys required to access any relevant address, and

(iii) your username, password and any other login or identifying credentials.

5.2. In case you suspect a security breach in any of the above mentioned, you shall inform us immediately so we can take all required and possible measures to secure your account, Tokens and systems as whole.

5.3. In the event that you are no longer in possession of any device associated with your account or are not able to provide your login or identifying credentials, we may, in our sole discretion, and only if we are able, grant access to your account to any party providing additional credentials to us. We explicitly reserve the right to determine the additional credentials required, which may include, without limitation, a sworn, notarized statement of identity.

6. PRIVACY

6.1. Company reserves its right to request documentation, prior to activating your account at the Platform and the Website, in order to comply with applicable law or regulation in connection with selling Tokens to you. The Company may refuse you access to the Platform and Website should it have doubts as to validity, authenticity and genuineness of the documents, provided by you.

6.2. You agree to provide us with such information promptly upon request, and you acknowledge that we may refuse to sell Tokens to you until you provide such requested information and we have determined that it is permissible to sell Tokens to you under applicable law or regulation.

6.3. As a principle, we collect only what we need and will not share your personal information with any third parties other than our identity verification partner, should be the latter involved. Even within the Company, access to your personal information is limited to a subset of employees who work on compliance and identity verification matters. The Company is the only data controller and processor.

6.4. Company collects information from running the website and products, provided thereto, and uses information, provided to us by you. When you visit the Website or use the Platform, we collect information sent to us by your computer, mobile phone, or other access device. This information may include your IP address, device information including, but not limited to, identifier, name, and type, operating system, mobile network information and standard web log information, such as your browser type, and the pages you accessed on our website. When you use a location - enabled device with our website and products, we may collect geographical location data or use various means to determine the location, such as sensor data from your device that may, for instance, provide data on nearby cell towers and wifi access spots. However, we will not release your personally - identifying information to any third party without your consent, except as set forth herein.

6.5. If you create an account at our website and use our products, Tokens included, we may collect and store your contact information – your name, address, phone, email and other similar information. Before permitting you to use our website and products, we may require you to provide additional information (such as a date of birth, passport number, numbers that you may use or have registered with your local tax authority, or other data which can be used for personal

identification purposes and that may be required to comply with applicable laws) so that we can verify your identity or address. We may also obtain information about you from third parties such as identity verification services.

6.6. When you use our website, we collect information about your transactions (such as date, time and amount of transaction) and your other activities on our website and we may collect information about your computer or other access device for fraud prevention purposes. We may collect additional information about you through your interactions with our support team.

6.7. When you access the website or use our products or services we may place small data files called cookies on your computer or other device. We use these technologies to recognize you as our user; customize our website and advertising; measure promotional effectiveness and collect information about your computer or other access device to mitigate risk, help prevent fraud, and promote trust and safety.

6.8. Throughout this policy, we use the term “personal information” to describe information that can be associated with a specific person and can be used to identify that person. We do not consider personal information to include information that has been anonymized so that it does not identify a specific user.

6.9. We protect your information using physical, technical, and administrative security measures to reduce the risks of loss, misuse, unauthorized access, disclosure, and alteration. Some of the safeguards we use are firewalls and data encryption, physical access controls to our data centers, and information access authorization controls. We also authorize access to personal information only for those employees who require it to fulfil their job responsibilities. All of our physical, electronic, and procedural safeguards are designed to comply with applicable laws and regulations.

6.10. We are sometimes required to compare the personal information you provide to third party databases in order to verify its accuracy and confirm your identity. This allows us to comply with anti - money laundering and “know your customer” regulations. We will not sell or rent your personal information to third parties. We may combine your information with information we collect from other companies and use it to improve and personalize the website and our products, as well as our content and advertising. We may use your name and email address to provide you with information about products or services that may be of interest to you, but we will not use your personal information without complying with applicable laws and, where appropriate, obtaining your consent.

6.11. We reserve our right to share your personal information with:

- our banking partners (if you link a bank account, debit card, or credit card to your account);
- companies that we plan to merge with or be acquired by (should such a combination occur, we will require that the newly combined entity follow these terms with respect to your personal information, and you would as well receive prior notice of any change in applicable policy);

- third party identification services providers for fraud prevention purposes;
- law enforcement, government officials, or other third parties when i) we are compelled to do so by a subpoena, court order, or similar legal procedure; or ii) we believe in good faith that the disclosure of personal information is necessary to prevent physical harm or financial loss, to report suspected illegal activity or to investigate violations of our terms;
- other third parties only with your prior consent or direction to do so.

6.12. Company will not provide your personal information to any other Company's users without your consent or direction.

6.13. You may access, review and edit your personal information at any time by logging in to the website using your credentials.

7. TAXES

7.1. All your factual and potential tax obligations are your concern and the Company is not in any case and under no conditions bound to compensate for your tax obligation or give you any advice related to tax issues, including but not limited what kind of filing or reporting you need to do with the competent tax authority, which taxes and to which extent you are obliged to pay, which tax exemptions you are eligible to etc.

7.2. The purchase price that you pay for Tokens is exclusive of all applicable taxes. You are responsible for determining what, if any, taxes apply to your purchase of Tokens, including, for example, sales, use, value added, and similar taxes. It is also your responsibility to withhold, collect, report and remit the correct taxes to the appropriate tax authorities. We are not responsible for withholding, collecting, reporting, or remitting any sales, use, value added, or similar tax arising from your purchase of Tokens.

8. ACCESS TO SERVICES

8.1. The Company reserves the right, in its sole discretion, to terminate your access to the Website, the Platform and its related services or any portion thereof at any time, without notice, in particular due to legal grounds originating in anti - money laundering and know your client regulation and procedures.

8.1.1. The Company use the Anti Money Laundering (AML) Policy. Money laundering is where proceeds of crime are disguised so to give the appearance of a legitimate income. Company will not tolerate any buyer and/or tokenholder abusing their services for such matters. If Company suspects any client is abusing their services for the purposes of money laundering, they reserve the right to freeze any funds regarding to Tokens or Benefits, make a request for documents confirming the source of the origin of such funds - if the legality of incomes is proved, all funds will defrosted. Company reserves the right to report any suspicious activities to the police or relevant authorities, if the official request with suspicion of money laundering from public authorities is received, without the client's knowledge. The Company also reserve the right to

require additional information at any time to verify the client's identification and any further information that may be required to satisfy the Money Laundering Regulations.

8.1.2. We also use the Know Your Customer Policy (KYC). The main objective of KYC conduction is to identify the Client for the purpose of AML policy.

9. NOTICES

9.1. We may provide any notice to you under this Agreement by: (i) posting a notice on the website; or (ii) sending an email to the email address that is associated with your account. Notices we provide by posting on the website will be effective upon posting and notices we provide by email will be effective when we send the email. It is your responsibility to keep your email address current. You will be deemed to have received any email sent to the email address then associated with your account when we send the email, whether or not you actually receive or read the email.

9.2. To give us notice under this Agreement, you must contact us by email to support@liqnet.com. We may update this email address for notices to us by posting a notice on our website. Notices to us will be effective one business day after they are sent.

9.3. All communications and notices to be made or given pursuant to this Agreement must be in the English language.

10. RISKS

10.1. You acknowledge and agree that there are risks associated with purchasing, holding, and using Tokens in connection with the Platform, as disclosed and explained in Exhibit A, which is an integral part of this Agreement. By purchasing tokens, you expressly acknowledge and assume these risks – remove any liability related to the above - mentioned risks from the company.

11. DISCLAIMERS

11.1. To the fullest extent permitted by applicable law and except as otherwise specified in a writing by us:

a) tokens are sold on an “as is” and “as available” basis without warranties of any kind, and we expressly disclaim all implied warranties as to tokens, including, without limitation, implied warranties of merchantability, fitness for a particular purpose, title and non - infringement;

(b) we do not represent or warrant that tokens are reliable, current or error - free, meet your requirements, or that defects in tokens, if such are found, will be corrected; and

(c) we cannot and do not represent or warrant that tokens or the delivery mechanism for tokens are free of viruses or other harmful components.

12. LIMITATION OF LIABILITY

12.1. The Company shall be responsible and liable only for (1) correct functioning of the Platform and (2) maintenance of the correct operation of the smart contracts system, which autonomously conducts processes of providing Crowdfunders with Tokens and the ability to use all the Opportunities of the Platform by using Tokens. Risks associated with purchasing, holding and using Tokens in connection with the Platform, as disclosed and explained in Exhibit A, are recognized as force majeure, and the Company does not bear any responsibility for their offensive.

12.2. Company and its affiliates and their respective officers, employees or agents will not be liable to you or anyone else for any damages of any kind, including, but not limited to, direct, consequential, incidental, special or indirect damages (including but not limited to lost profits, trading losses or damages that result from use or loss of use of this website and its products), even if the Company has been advised of the possibility of such damages or losses, including, without limitation, from the use or attempted use of the Website and/or Company's products or another linked website.

12.3. Neither we nor any of our affiliates or licensors will be responsible for any compensation, reimbursement, or damages arising in connection with: (a) your inability to use the Tokens, including without limitation as a result of any termination or suspension of the used network or this agreement, including as a result of power outages, maintenance, defects, system failures or other interruptions; (b) the cost of procurement of substitute goods or services; (c) any investments, expenditures, or commitments by you in connection with this agreement or your use of or access to the Tokens; or (d) any unauthorized access to, alteration of, or the deletion, destruction, damage, loss or failure to store any data, including records, private key or other credentials, associated with any Token.

12.4. To the fullest extent permitted by applicable law, you will indemnify, defend and hold harmless Company and our respective past, present and future employees, officers, directors, contractors, consultants, equity holders, suppliers, vendors, service providers, parent companies, subsidiaries, affiliates, agents, representatives, predecessors, successors and assigns (the "Company Parties") from and against all claims, demands, actions, damages, losses, costs and expenses (including attorneys' fees) that arise from or relate to: (i) your purchase or use of Tokens, (ii) your responsibilities or obligations under this Agreement, (iii) your violation of this Agreement, or (iv) your violation of any rights of any other person or entity.

12.5. You will defend, indemnify, and hold harmless us, our affiliates and licensors, and each of their respective employees, officers, directors, and representatives from and against any claims, damages, losses, liabilities, costs, and expenses (including reasonable attorney fees) arising out of or relating to any third - party claim concerning this Agreement or your use of Tokens contrary to the terms of this Agreement. If we or our affiliates are obliged to respond to a third - party subpoena or other compulsory legal order or process described above, you will also reimburse us for reasonable attorney fees, as well as our employees' and contractors' time and materials spent responding to the third - party subpoena or other compulsory legal order or process at reasonable hourly rates.

12.6. The information, software, products, and services included in or available through the Website may include inaccuracies or typographical errors. Changes are periodically added to the information herein. Company may make improvements and/or changes in the Website at any time. Company makes no representations about the suitability, reliability, availability, timeliness, and accuracy of the Tokens, the Website, information, software, products, services and related graphics contained on the Website for any purpose. To the maximum extent permitted by applicable law, Tokens, the Website, all such information, software, products, services and related graphics are provided "as is" without warranty or condition of any kind. Company hereby disclaims all warranties and conditions with regard to the Tokens, the Website, information, software, products, services and related graphics, including all implied warranties or conditions of merchantability, fitness for a particular purpose, title and non - infringement.

EXHIBIT A

Important Note: As noted elsewhere in the Token Sale Agreement, the Tokens are not being structured or sold as securities or any other form of investment product. Accordingly, none of the information presented in this Exhibit A is intended to form the basis for any investment decision, and no specific recommendations are intended. Company expressly disclaims any and all responsibility for any direct or consequential loss or damage of any kind whatsoever arising directly or indirectly from: (i) reliance on any information contained in this Exhibit A, (ii) any error, omission or inaccuracy in any such information or (iii) any action resulting from such information.

By purchasing, holding and using Tokens, you expressly acknowledge and assume the following risks:

1. RISK OF LOSS

Risk of Losing Access to Tokens Due to Loss of Private Key(s), Custodial Error or Purchaser Error A private key, or a combination of private keys, is necessary to control and dispose of Tokens stored in your digital wallet or vault. Accordingly, loss of requisite private key(s) associated with your digital wallet or vault storing Tokens will result in loss of such Tokens. Moreover, any third party that gains access to such private key(s), including by gaining access to login credentials of a digital wallet or vault service you use, may be able to misappropriate your Tokens.

Any errors or malfunctions caused by or otherwise related to the digital wallet or vault you choose to receive and store Tokens, including your own failure to properly maintain or use such digital wallet or vault, may also result in the loss of your Tokens.

Additionally, your failure to follow precisely the procedures for buying and receiving Tokens, including, for instance, if you provide the wrong address for receiving Tokens, may result in the loss of your Tokens.

2. RISKS ASSOCIATED WITH THE BLOCKCHAIN PROTOCOL

Because Tokens and cryptocurrencies are based on the blockchain protocol, any malfunction, breakdown or abandonment of the blockchain protocol may have a material adverse effect on the Platform or Tokens.

Moreover, advances in cryptography, or technical advances such as the development of quantum computing, could present risks to Tokens and the Platform, including the utility of Tokens for obtaining Services, by rendering ineffective the cryptographic consensus mechanism that underpins the blockchain protocol.

3. RISK OF MINING ATTACKS

As with other decentralized cryptographic tokens based on the blockchain protocol, Tokens are susceptible to attacks by miners in the course of validating Tokens transactions on the

blockchain blockchain, including, but not limited, to double - spend attacks, majority mining power attacks, and selfish - mining attacks. Any successful attacks present a risk to the Platform and Tokens, including, but not limited to, accurate execution and recording of transactions involving Tokens.

4. RISK OF HACKING AND SECURITY WEAKNESSES

Hackers or other malicious groups or organizations may attempt to interfere with the Platform or Tokens in a variety of ways, including, but not limited to, malware attacks, denial of service attacks, consensus - based attacks, Sybil attacks, smurfing and spoofing. Furthermore, because the Platform uses within itself open - source software, there is a risk that a third party or a member of the Company team may intentionally or unintentionally introduce weaknesses into the core infrastructure of the Platform, which could negatively affect the Platform and Tokens, including Tokens' utility for using the Platform.

5. RISKS ASSOCIATED WITH MARKETS FOR TOKENS

Tokens are intended to be used solely on the Platform, and Company will not support or otherwise facilitate any secondary trading or external valuation of Tokens. This restricts the contemplated avenues for using Tokens to access or use the Platform, and could therefore create illiquidity risk with respect to Tokens you hold.

Even if secondary trading of Tokens is facilitated by third party exchanges, such exchanges may be relatively new and subject to little or no regulatory oversight, making them more susceptible to market - related risks.

6. RISK OF UNINSURED LOSSES

Unlike bank accounts or accounts at some other financial institutions, Tokens are uninsured unless you specifically obtain private insurance to insure them. Thus, in the event of loss or loss of utility value, there is no public insurer or private insurance arranged by us, to offer recourse to you.

7. RISKS ASSOCIATED WITH UNCERTAIN REGULATIONS AND ENFORCEMENT ACTIONS AND EXISTING LEGISLATIVE RISKS

The regulatory status of Tokens and distributed ledger technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether regulatory agencies may apply existing regulation with respect to such technology and its applications. It is likewise difficult to predict how or whether legislatures or regulatory agencies may implement changes to law and regulation affecting distributed ledger technology and its applications, including the Platform and Tokens. Regulatory actions could negatively impact the Platform and Tokens in various ways. Company may cease operations in a jurisdiction in the event that regulatory actions, or changes to law or regulation, make it illegal to operate in such jurisdiction, or commercially undesirable to obtain the necessary regulatory approval(s) to operate in such jurisdiction.

Additionally, the Company shall not be held responsible for any damages incurred by the Client and the Client shall indemnify and protect the Company from any such damages, that are caused due to the limitations and legal barriers and other legal circumstances that exist or appear due to the active or implemented legislation of any particular Jurisdictions, including, but not limited to USA, China, Singapore, South Korea.

8. RISKS ARISING FROM TAXATION

The tax characterization of Tokens is uncertain. You must seek your own tax advice in connection with purchasing Tokens, which may result in adverse tax consequences to you, including withholding taxes, income taxes and tax reporting requirements.

9. RISK OF ALTERNATIVE PLATFORMS

It is possible that alternative platforms could be established that utilize functional similar to the Platform's. The Platform may compete with these alternative platforms, which could negatively impact the Platform and Tokens, including Tokens' utility for obtaining Services.

10. RISK OF WEAKNESSES OR EXPLOITABLE BREAKTHROUGHS IN THE FIELD OF CRYPTOGRAPHY

Advances in cryptography, or technical advances such as the development of quantum computers, could present risks to cryptocurrencies and the platform and Tokens, which could result in the theft or loss of tokens.

11. RISK OF INSUFFICIENT INTEREST IN THE PLATFORM OR DISTRIBUTED APPLICATIONS

It is possible that the Platform will not be used by a large number of individuals, companies and other entities or that there will be limited public interest in the creation and development of distributed platforms (such as the Platform) more generally. Such a lack of use or interest could negatively impact the development of the Platform and the potential utility of Tokens.

12. RISKS ASSOCIATED WITH THE DEVELOPMENT AND MAINTENANCE OF THE PLATFORM

The Platform is still under development and may undergo significant changes over time. Although we intend for Tokens and the Platform to follow the specifications set forth in White Paper, and will take commercially reasonable steps toward those ends, we may have to make changes to the specifications of Tokens or the Platform for any number of legitimate reasons. This could create the risk that Tokens or the Platform, as further developed and maintained, may not meet your expectations at the time of purchasing Tokens.

Furthermore, despite our good faith efforts to develop and maintain the Platform, it is still possible that the Platform will experience malfunctions or otherwise fail to be adequately developed or maintained, which may negatively impact the Platform and the potential utility of Tokens.

13. RISKS ARISING FROM LACK OF GOVERNANCE RIGHTS

Because Tokens confer no governance rights of any kind with respect to the Platform or Company, all decisions involving the Platform or Company will be made by Company at its sole discretion, including, but not limited to, decisions to discontinue the Platform, or to sell or liquidate the Company. These decisions could adversely affect the Platform and the utility of Tokens that you hold.

14. UNANTICIPATED RISKS

Cryptographic tokens such as Tokens are a new and untested technology. In addition to the risks included in this Exhibit A, there are other risks associated with your purchase, holding and use of Tokens, including those that the Company cannot anticipate. Such risks may further materialize as unanticipated variations or combinations of the risks discussed in this Exhibit A.
